DECLARATION OF ABANDONMENT 24183

IN THE MATTER of the North half of Section Thirty three (33) Township Thirty (30) Range Three (3) West of the Fourth Meridian in the Province of Alberta

I Owen Nichols of Alsask in the Province of Saskatchewan Farmer do solemnly declare:-

That I made entry for the above mentioned lands at the Dominion Land office at Provost on the Third day of May 1911 and I now ask to have said entry cancelled and be permitted to take up another homestead for the following reasons namely:

The said land is stony and a creek cuts the land up making it unsuitable for farming. The whole of the land is taken up by Indians.

That I have not received directly or indirectly nor have I been promised nor do I expect to receive any consideration of any kind for allowing said entry to be cancelled.

And I make this solemn declaration conscientiously believing it to be true and knowing that it is of the same force and effect as if made under oath and by virtue of the Canada Evidence Act.

S. E. 32-30-8-W. 4th Mer.,
Municipal District of Cenmar No. 501.

The Seed Grain and Relief Adjustment Board, appointed under Order P. C. 22.00, hereby recommends that all Dominion liens charged against the S. E. 32-30-8-W. 4th Mer. for advances made to J. F. Robbo, be retained as a charge against this quarter section until a further recommendation is submitted in connection therewith, but that all Municipal and Joint Relief liens, charged against the said land, for advances made by the Municipal District of Cenmar No. 501, be discharged.

The Board submits the report of the Director, Debt Adjustment Act, dated July 26th, 1932, which report gives full details of all liens registered against the said land, and states in support of the recommendation:-

1. That title to this quarter section has passed to the first mortgagee, A. E. Eaton, under foreclosure proceedings, subject to the Dominion liens, and no application has been received from the present registered owner for the adjustment of the Dominion liens, and for this reason it is desirable that the liens be retained as a charge against the said land.

2. That at the time the Municipal and Joint Relief advances were made the debtor was the owner of said land, subject to a first mortgage in favor of A.E.Eaton, which had priority to all of the said liens.

3. That the Mortgagee foreclosed upon his security and became registered owner of said land, and that by such foreclosure all Municipal and Joint Relief liens were eliminated therefrom.

4. That all trace of the debtor has been lost for several years, and there is no possibility of making any collection under his personal covenant.

.....

The Board therefore recommends that the Dominion lions charged against the said land be retained as a charge against this quarter section until a further recommendation is submitted in connection therewith.

The Board further recommends that all Municipal and Joint Relief liens be unconditionally discharged, and the total amount payable thereon be written off as uncollectible.

The Tax Consolidation Board, hereby recommends that the liens charged against the E. ½, 32-30-3-4. 4th Mer., for advances made to J. F. Robbe, by the Municipal District of Canmer, No. 301, be discharged.

The Board submits in support of this recommendation,-

1. That at the time the Municipal and Joint Relief advances were made the debtor was the owner of said land, subject to a first mortgage in favor of E.E.Eaton, which had priority to all of the said liens.

2. That the Mortgagee foreclosed upon his security and became registered owner of said land, and that by such foreclosure all Municipal and Joint Relief Liens were eliminated therefrom.

3. That all trace of the debtor has been lost for several years, and there is no possibility of making any collection under his personal covenant.

The Board therefore recommends that the liens be unconditionally discharged, and the total amount payable thereon be written off as uncollectible.

The Board also recommends that the Municipal District of Canmer No. 301, be discharged from any further liability to the Province of Alberta, in connection with the said liens, and that the total amount payable thereon be written off as uncollectible, as the financial affairs of the District are such that it is not possible for the said Municipality to make any further payments on account thereof.

Dear Sir:

Re: N.E. & S.E. 32-30-3-W4

This Department has an old account against the above noted land for advances of fodder and seed grain to J.F. Robbe in 1915. We are anxious to bring our records up-to-date and if possible to settle this long outstanding account. It would assist us greatly if you would be kind enough to complete the attached form.

An addressed envelope which does not require a stamp is enclosed for this purpose.

Yours very truly,

Encl.

Re: Account of J.F. Robbe,
E.½ 32-30-3-W.4th.

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1915 seed grain and fodder amounting to $184.85 were advanced to J.F. Robbe on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:-

Principal	Interest	Total
$ 184.85	$ 351.60	$ 536.45

Patent was issued in the name of J.Fletcher Robbe for the N.E. 32-30-3-W.4th on the 6th of December, 1916, subject to the 1915 liens. The S.E. 32-30-3-W.4th was formerly the pre-emption entry of the debtor whose entry was later cancelled and the land is still unalienated Crown land held in the right of the Province.

In reply to our questionnaire of the 24th of September, 1953, The Director of Assessments, Department of Municipal Affairs, Province of Alta., wrote as follows:-

"The South East quarter is unalienated Crown land while title to the North East quarter is vested in this Department, having been acquired through Tax Recovery proceedings. This land is occupied at present under Grazing Lease as issued by this Department and in view of the land being situated in that part of the Province designated Special Areas there is little likelihood of any sale being made of same."

The information obtained indicates that the land is such that it is unlikely to be used for farming purposes or disposed of by sale in the near future and no longer offers any security of value for our liens. Under the circumstances it is recommended that the indebtedness be cancelled and the liens discharged.

The undersigned member of the Seed Grain Advisory Board, having taken into consideration the attached report, approves the settlement outlined therein and does hereby recommend:-

1. THAT the indebtedness, which is more particularly described in the attached report, be cancelled without the requirement of any payment and the liens discharged.

Re: Account of George C. Elliot,
E.½ 18-29-3-W4.

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1915 seed grain, fodder and relief amounting to $160.25 were advanced to George C. Elliott on the security of the above mentioned land. Payments totalling $95.00 was received in 1926, and applied to the principal and interest. The present standing of this account is:-

Principal	Interest	Total
$107.69	$187.86	$295.55

Patent was issued in the name of George C. Elliott for the S.E. 18-29-3-W4 on the 10th of May 1915, subject to the 1915 liens. The N.E. 18-29-3-W4 was formerly the pre-emption of the debtor whose entry was cancelled and was later re-entered upon by a Mr. Jack Gifford who agreed to assume the indebtedness of the former entrant, and to whom patent has since been issued.

In reply to our questionnaire of the 27th of May 1952, J.H. Tedrick, Supervisor, Special Areas, Department of Municipal Affairs, Province of Alberta, wrote as follows:-

"Title to this parcel is presently vested in this department having been acquired through proceedings under the Tax Recovery Act and is occupied at present under long term grazing lease. This land is located in that part of the Provi.ce designated Special Areas and as such there is little likelihood of same ever being disposed of by sale or utilized for any purpose other than grazing."

The information obtained indicates that the land is unsuitable for farming purposes and no longer offers any security of value for our liens. Under the circumstances it is recommended that the balance of the indebtedness be cancelled and the liens discharged.

Sir,

In H. S., 6-M-10, 24th A.

I am in receipt of your letter of the 26th ultimo explaining that you are not at present in a position to make a payment on your pre-emption, the above described land, and asking whether in the event of your entry being cancelled you would be permitted to lease the land for cultivation purposes.

In reply I am to advise you that it would be contrary to the practice of the department to lease land for crop growing.

The Agent of Dominion Lands at Calgary will have one of his inspectors in your district on collection work furnish a report on your land and upon the receipt of the report from the inspector, the question of allowing you further time to complete payment, should you so require, will be given sympathetic consideration.

As per statement attached.

The Lienee in his application for seed grain stated he had 140 acres ready for seeding on this [illegible], for which he obtained 21½ bushels of wheat.

[illegible]

50-80 Basis.
No Record.

[illegible]

[illegible]

This was the Lienee's pre-emption, for which he executed Declaration of Abandonment on the 15th July, 1926, stating he was unable to pay for same on account of crop failures. His entry was thereafter cancelled, and on the 6th July, 1926, Douglas Graham Bear of Coronati P.O., Alta., obtained entry for the same as a homestead, executing the customary agreement to assume the seed grain indebtedness on the 17th November, 1926, with a proviso for an adjustment. Mr. Bear paid the sum of $40.00 for improvements, which amount has been transferred and applied to the indebtedness.

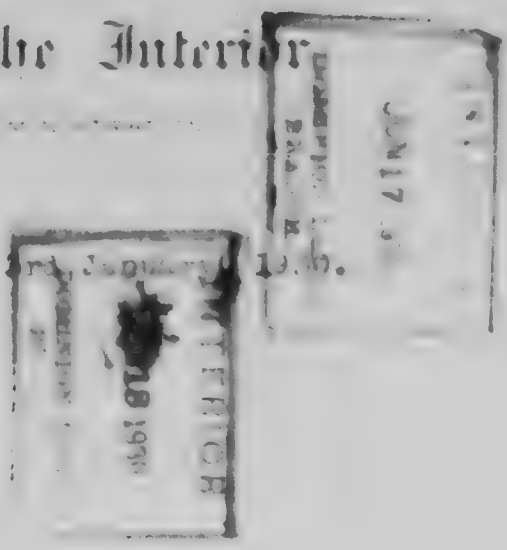

A report obtained in October, 1926, described the soil on this quarter as sandy, 110 acres fit for cultivation, fencing valued at $40.00. The Lienee's last address on file was Hirum, Alta.

[illegible]

This was the Lienee's homestead, patent to which was issued in his name on the 1st March, 1918, and there is no evidence to show that the Lien was ever registered against this quarter-section.

Mr. [illegible] has made application for an adjustment in accordance with the [illegible] Act, and quotes his reference as [illegible].

Sir,-

B.E. Sec. 13 Tp 65 Rge. 2 West 4 Mer

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1918, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

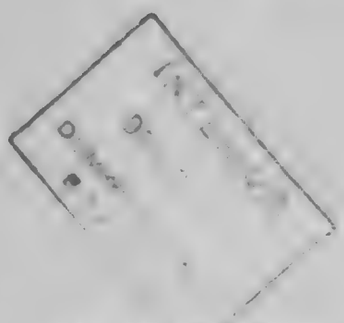

Your obedient servant,

L. Alphonse Lefebvre, Esq.,

Sir,-

N.W.¼ Sec. 24 Tp. 40 Rge. 15 West 4th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Sir,-

I.T. 1 of Sec. 4 Tp. 33 Rge 2 West 4th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting those settlers, who have obtained patent, or who had become entitled thereto on or before the 1st January, 1908, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and proved this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Your obedient servant,

Percy Clinton Strickland, Esq.,
Ivuld,
Saskatchewan.

of Dominion Lands.

This Department has an old account against the above noted land for advances of seed grain to Andrew F. Safford in 1919. We are anxious to bring our records up-to-date and if possible to settle this long outstanding account. It would assist us greatly if you would be kind enough to complete the attached form.

Mr. J.K. McCa[illegible],
[illegible] Member,
[illegible] Board,

Re: Account of Andrew F. Safford
S.E. 4-3-1-W4

The matter of [illegible] debtor's outstanding account [illegible] referred to you, constituted a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1919 seed grain amounting to $284.50 was advanced to Andrew F. Safford on the security of the above mentioned land. A payment of $109.00 was received in 1926 and applied to the interest. The present standing of this account is:

Principal	Interest	Total
$ 284.50	$ 553.40	$ 837.90

The S.E. 4-3-1-W4 was formerly the homestead entry of the debtor whose entry was cancelled and the land is still unalienated Crown land held in the right of the Province.

In reply to our questionaire of the 17th of June 1952, J.H. Todrick, Supervisor, Special Areas, Department of Municipal Affairs, Province of Alberta, wrote as follows:

"This land is unalienated crown land and is occupied at present under a long term grazing lease. This land is located in that part of the Province designated Special Areas and as such there is little likelihood of same ever being disposed of by sale or utilized for any purpose other than grazing."

The information obtained indicates that the land is unsuitable for farming purposes and no longer offers any security or value for our advance. Under the circumstances it is recommended that the indebtedness be cancelled.

Re: Account of Frank Love,
N.W. 12-26-4-W.4th.

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1922 seed grain amounting to $52.80 was advanced to Frank Love on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:-

Principal	Interest	Total
$ 52.80	$ 114.27	$ 167.07

The N.W. 12-26-4-W.4th was formerly the homestead entry of the debtor on which security an advance of seed grain was obtained in 1922.

In reply to our questionnaire of the 2nd of July, 1952, J. Thompson, Department of Municipal Affairs, Province of Alberta, advised that this quarter section is only assessed for $340.00 and that there is an accumulation of $366.27 arrears of taxes outstanding against the land.

The information obtained indicates that the land is such that it no longer offers any security of value for our lien. Under the circumstances it is recommended that the indebtedness be cancelled and the lien discharged.

Sir,

With reference to your letter of the 16th instant, enclosing your File No. 1,920,145, and requesting a report as to whether certain documents forwarded by Mr. Amos White, for the purpose of establishing his identity as a member of the Red River 1870 Expedition, agree with the records of this Department, I have the honour to say that, in view of the fact that a Bounty Warrant was issued in favour of Amos White, and that it has not hitherto been called for; that the present applicant and his wife have both told their stores with considerable circumstance, and that the wife communicated with Lord Wolseley, and, in her letter, set out further probable facts and circumstances, it may be fairly concluded that the applicant is the "Amos White" in question.

I return, herewith, your File numbered as above.

24th February, 1934.

Madam,

Replying to your letter of the 8th instant, relative to your inquiry respecting Military Bounty Warrant No. 0889 issue to your father, the late Amos White, I beg to say that the said Military Bounty Warrant No. 0889 was assigned by your late father to W. It will thus be seen that your father disposed of his interest in the Warrant in question.

The consent of the pre-emptor of the said quarter section to the parcels above described being withdrawn from his entry for the purpose in question has been filed.

Archbishop Legal in a letter of explanation as to two parcels of land in such close proximity being required states:

"In view of the close proximity of the lake and the several dwelling houses already built in the vicinity it would be much more convenient to have the six acres in two parcels in order to have the cemetery somewhat removed from the houses so I hope that the Department will consent for this time to depart from its ordinary rules" and

"I am informed that there are easy means of access to the said parcels of land, some roads having been surveyed two years ago by the provincial government, one from the road allowance north of section 13 and another through the middle of said section 24."

I beg to recommend that, under the circumstances, the application be approved, in which event the authority

of

W. W. Cory, Esq., C.M.G.,
Deputy Minister of the Interior.

of the Governor in Council will be required to authorize the grants, after the Council has been created and the usual Act passed for same.
